Google My Business

- ✓ Google Business Profile Setup & Optimization
- ✓ Local SEO Ranking Improvement
- ✓ Keyword Research & Targeting
- ✓ Reviews & Reputation Management
- ✓ Map Pack Ranking Boost
- ✓ Monthly Reporting & Insights
- ✓ Explain what clients will gain:
- ✓ Rank higher on Google Maps
- ✓ Get more calls & walk-in customers
- ✓ Improve online visibility
- ✓ Stand out from competitors
- ✓ Build trust with reviews

App Development

- ✓ App redesign and development: Modernize or build native/cross-platform apps end-to-end.
- ✓ AI app design and development: AI features tailored to your goals (chatbots, recommendations, NLP, vision).
- ✓ Google Play Console readiness: Publishing, store optimization, policy compliance, in-app billing, testing, launch.
- ✓ UX/UI focus: User-centric design, wireframes, prototypes, and polished visuals.

- ✓ Performance and security: Speed, reliability, offline support, and secure data handling.
- ✓ MVP to scale: Quick MVP delivery, then iterative, scalable enhancements.
- ✓ Post-launch support: Analytics, monitoring, bug fixes, and ongoing maintenance.
